

2023 Manufacturer's Certification

Tax Credit: 30% up to \$1200, not including installation.

Polywood Fabrication, Inc, hereby certifies that the Polywood Shutter Insulation System is an Eligible Building Envelope Component that qualifies as an insulating system that is specifically and primarily designed to reduce heat loss or gain in a residence, and qualifies for a Federal Tax Credit for tax year 2023 as a non-business energy property under Internal Revenue Code Section 25C in the Inflation Reduction Act of 2022.

This certification statement is in compliance as of December 20, 2022.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct, and complete.

Dix Jarman,
President
Polywood Fabrication, Inc.
